

## **Waterski / Wakeboard Information**

Our aim is to help you enjoy your vacation and your skiing with us.

To ensure that everyone gets the most from their time with us please note the following:

- 1 The night before you are due to start skiing, please check the ski planning board on the outside of the office (on the right hand side of the office door). You will be able to see when you are due to ski, your coach and the lake. Please note that you may rotate lakes – so keep an eye on the board to see where your next session will be. There is a map of the lakes in this information book, or you can check on the wall outside the office.
- 2 Pro-shop. We have a fully stocked pro shop. If you need to rent, demo, or buy equipment, please check by the office for the opening hours as they vary according to the season. To contact the proshop directly, you can call 352 978 62 55 email them on [proshop@swissvacationhouses.com](mailto:proshop@swissvacationhouses.com)
- 3 Ski sessions are as follows  

<u>Monday to Friday:</u>	<u>Saturday:</u>
Morning: 8.00am to 12.30am	Morning only: 8.00am to 12.30pm
Afternoon: 2.00pm to 6.00pm	<u>Saturday afternoon and Sunday</u> by appointment only
<u>Please arrive at the beginning of your session, i.e. either 8.00am or 2.00pm.</u>	
- 4 Skier rotation at the lakes. Please see the information below, with the title 'how it works at the dock'. This system has been designed to give our guests the best skiing experience possible.
- 5 Safety. We ask you to observe extreme caution while skiing/riding, on the dock, or in the boat. All skiers/riders must sign a waiver. Please stop by the office to collect one. Please complete both sides; if you are under 18 a parent or guardian will need to sign on your behalf. If we do not have your waiver you will be unable to ski.
- 6 Before starting to ski/ride, warm up to minimize your risk of injury. Protect your hands; our warm water makes this is especially important. Do this at the beginning of the week - it is too late by the middle of your stay. We highly recommend that you wear gloves; you can buy hand protectors at the Pro-shop to give an additional layer.

- 7 When it is your turn to ski, please be ready on the dock, with your ski on, when the skier before you finishes their set. The less time that you spend on the dock, the more time you'll have in the water!
- 8 We are not responsible, nor can we be held liable, for any equipment left on the dock or in a cabana; you leave it at your own risk.
- 9 If you would like to arrange additional sets, please contact the office. We may be able to arrange skiing sets, by appointment, on Saturday afternoon and on Sunday – please contact the office for availability.

If you have any questions about your skiing reservation please contact the office.

## Ski Program Description

### The Short Program

This is our most popular program. The program is for six consecutive days, Monday to Saturday, with a maximum of two lessons per day. The two lessons are grouped into half day sessions which alternate morning and afternoon (except on Saturday when skiing is in the morning). For example, if you start skiing on Monday morning, you would ski two lessons on Monday morning, the next two lessons would be on Tuesday afternoon, then Wednesday morning, etc. If you started on Monday afternoon, you would ski two lessons on Monday afternoon, the next two lessons would be on Tuesday morning, then Wednesday afternoon, etc.

### The Full Program

This program is for six consecutive days Monday to Saturday. It includes a maximum of 4 lessons per day Monday to Friday (two in the morning and two in the afternoon) and two lessons on Saturday morning. This program is recommended for those guests practicing more than one event or who are accustomed to this number of ski sets each day.

### By the lesson

For guests who do not want to ski on a regular basis, you can book 'by the lesson'. We do ask that you reserve your lessons in advance of your arrival, for planning purposes. If you would like to wait until you are onsite to book your skiing we will do our best to accommodate your requests but are unable to guarantee the availability of lessons.

- **The programs cannot be shared, nor can lessons not taken be substituted for another day.**
- **Please note that you will be charged for the program or lessons you reserve at the time of confirmation.**
- **If you would like to arrange additional lessons once onsite, please contact the office for availability.**
- **Lessons can be arranged, by appointment, for Saturday afternoons or Sundays. These lessons are not part of a program. Please contact the office to make a reservation.**
